

## CAPPE's 2015 Rural Preservation Party

CAPPE members and supporters gathered for a festive Rural Preservation Party at the Historic Sam Houston Schoolhouse on August 29. The potluck supper included an impressive array of delicious food from main dishes and sides to desserts. Maryville College music majors Serena and Billy performed and the crowd enjoyed their vocal harmonizing. We recognized founding members as well as CAPPE's younger "lifetime" members. And as usual spirited bidding occurred during the auction, with greatest excitement arising when several home-made pecan pies came up for bid.
